This matter comes before the court on *three motions [7], [8], [9]* by the petitioner: (1) Motion for Equal Protection 14<sup>th</sup> Amendment; (2) Motion for Paperwork that Needs to Be Filled Out; and (3) Motion This Court for My Constitutional Rights. I am a citizens [sic]. I have rights!

Doc. 7. As Mr. Galloway has not identified how his rights may have been violated or made any argument to that effect, this motion [7] will be dismissed.

In his Motion [8] for Paperwork that Needs to Be Filled Out, Mr. Galloway states:

Motion for the paperwork that needs to be filled out of the staff at this facility to be mailed to the correct ones. Due to the negligence done in this jailhouse, and the mental abuse that I'm enduring, I cannot be held accountable for what paperwork is not filled out or handled correctly. Have an officer of the court come help me with my legal paperwork so it can be explained to me better. I am a citizen asking for an honorable Judge to make the honorable decision and not a haisty [sic] one that protects the misconduct done to me.

Doc. 8. The only relief the petitioner seems to seek here is to have someone on the court assist him with his legal work. As the court cannot assist any litigant with his case, this request must be

dismissed.

Finally, in his Motion [9] for My Constitutional Rights, Mr. Galloway states:

Motion this court for my constitutional rights.

Writ of habeas corpus: The SIXTH AMENDMENT CENTER ensuring fairness & equal access to Justice
